## 1. Introduction

The Australian and NSW governments are funding the Rankin Park to Jesmond section of the Newcastle Inner City Bypass. The bypass will be built to the west of John Hunter Hospital.

In July 2022, a design and construct contract was awarded to Fulton Hogan Construction Pty Ltd who will finalise the design for the bypass and started major construction in March 2023.

The project will take three years to complete, weather permitting and will involve building a 3.4 kilometre four-lane divided road including:

- a northern interchange at Newcastle Road
- an interchange providing access to the John Hunter Hospital precinct
- a southern interchange at Lookout Road
- structures to improve connectivity in the bushland for people and animals
- off-road provisions for pedestrians and cyclists.

In accordance with section 66(6) of the POEO Act the following report details all required monitoring undertaken over the reporting period.

## 2. Water Quality Monitoring

Sampling conducted throughout the month.

**Table 1 Monitoring results – Point 1 – August 2023**

Date	Sample Location	pH	Oil/Grease	Irrigation Area
12/08/2023	8900W	7.3	No	E

**Table 2 Monitoring results – Point 2 – August 2023**

Date	Sample Location	Turbidity (NTU)	pH	Oil/Grease	Discharge Area
11/08/2023	8220W	37.3	7.3	No	Spillway
11/08/2023	7520W	29	7	No	Spillway
12/08/2023	8760W	19.8	6.7	No	Spillway
22/08/2023	7520W	20.4	6.9	No	Spillway
22/08/2023	8100W	39	6.9	No	Spillway
23/08/2023	8220W	4	7.5	No	Spillway

23/08/2023	8900W	22.6	6.9	No	Spillway
23/08/2023	7520W	26	7	No	Spillway
24/08/2023	8900W	24.2	7.2	No	Spillway
24/08/2023	7520W	25	6.9	No	Spillway
24/08/2023	10060W	22.7	7.2	No	Spillway
