Planned activities – next 3 months

As per presentation

5. Quarry Website

As per previous action points

Future CLG membership

Nothing to report

6. General Business

Open Day. General discussion on when the quarry operations would be ready to start and whether FH could run an open day for local residents prior to the official opening of the quarry. It was generally agreed that this would be a good idea. Shane would look at this

SH58 Progress. General discussion on progress on the SH58 improvements - local residents on the CLG noted that entry onto and across SH58 had considerably improved with the 50kph speed limit from the SH1 interchange to Mulhern Road. Waka Kotahi had removed the bus top near Flighty's Road but had quickly replaced it when reported by local residents

7. Next meeting date

No confirmed date yet – Either December 2024 or early 2025 – John to confirm with FH

AP – John to send out calendar invite when date has been decided upon

Note: Next meeting will be held on site at the quarry offices

Meeting closed at 11.15am
